

Oil and Gas Activities Act

Getting Started with OGAA

...a preliminary look at the legal requirements in the *Oil and Gas Activities Act* (OGAA) and the policy and concepts behind the corresponding regulations...

What is it?

An information session covering what is new and changing with the implementation of the OGAA—focusing on the Act which was passed in the legislature in May 2008 and the concepts and policy in the regulations that are being drafted. The session will involve presentations by experts involved with developing the legislation and background policy.

Who should attend?

The target audience for this session are practitioners in industry who plan, develop, construct and/or operate geophysical, wells, facilities and pipelines in British Columbia.

What information will I obtain?

After participating in the Getting Started with OGAA session, participants will understand the following:

- Major changes in permitting under OGAA & Regulations;
- Major changes in operating under OGAA & Regulations;
- Major changes in the C&E framework under OGAA; and
- How to prepare for implementation of OGAA.

What will it cost?

The cost for this one-day information session is \$250 (non-refundable). Lunch and coffee will be provided. This also includes all participant materials—an OGAA Primer summarizing the major concepts and changes in OGAA and a Participant's Guide containing copies of the presentations.

When is it?

November 4, 2009

8:30am to 4:30pm

Pomeroy Hotel

11308 Alaska Road, Fort St. John

The doors will open for sign-in at 8:00am.

How do I register?

Participants must register for the session at: <http://ogaatraining.gov.bc.ca>.

REGISTRATION DEADLINE: October 26, 2009 extended to October 30, 2009

NOTE:

Training on the full OGAA and regulations is planned for the spring of 2010. More details on this training will be provided on the OGAA website at www.empr.gov.bc.ca/OG/OILANDGAS/OGAA in early 2010.
