

Oil and Gas Activities Act

OGAA Executive Briefing

...a preliminary look at the legal requirements in the *Oil and Gas Activities Act* (OGAA) and the policy and concepts behind the corresponding regulations...

What is it?

A briefing for oil and gas industry executives on what is new and changing with the implementation of the OGAA. The session will involve presentations by senior personnel in the BC Oil and Gas Commission (OGC) and the Ministry of Energy, Mines and Petroleum Resources (MEMPR). Opportunities for questions and answers will be provided.

Who should attend?

Presidents, vice-presidents and leaders in industry who lead and manage oil and gas operations in BC.

What information will I obtain?

After participating in the briefing, participants will understand the following:

1. How will OGAA impact industry operations—anticipated benefits, costs, liabilities and risks to industry;
2. What will happen during transition to OGAA—impact on existing tenures, permits, facilities, roads as well as changes in interactions with the OGC and MEMPR; and
3. What is the plan for transitioning to OGAA—training, systems and processes.

What will it cost?

The executive briefing is sponsored by the Canadian Association of Petroleum Producers (CAPP). Lunch will be provided.
