

- A G E N D A -
3rd BC Unconventional Gas Technical Forum - 2009

Thursday April 16

7:00 *BREAKFAST - Terrace Ballroom*

7:30 *REGISTRATION - Marble Lobby*

8:30 **Vic Levson** Welcome and Opening Remarks
MEMPR

8:45 **Chris Adams** Shale Gas Activity in Northeast British Columbia
MEMPR

9:15 **Basim Faraj** The Bright Future of Shale Gas in Canada: What
Talisman Energy Inc. we Need to Learn From the US Experience

10:15 *COFFEE BREAK - Terrace Ballroom*

10:45 **Bill Arnott** The Neoproterozoic Windermere Supergroup,
University of Ottawa Southern Canadian Cordillera - World Class Ancient
Laboratory for the Study of Deep-marine
Sedimentary Rocks and Sedimentary Processes

11:30 **Lyle A. Johnson** From an Oil Field Waste Stream - Electrical Power
US Dept. of Energy

12:00 *NETWORKING LUNCH - Terrace Ballroom*

1:15 **J. P. Zonneveld** Stratigraphic and Sedimentary Framework of the
University of Alberta Lower Triassic Montney Formation

2:15 **Fil Ferri** Triassic Stratigraphy and Structure in the
MEMPR Halfway Map Area

2:45 *COFFEE BREAK - Terrace Ballroom*

3:15 **Craig Hall** Ultra-thin Section Petrography of Mudstones:
Core Laboratories Lessons from the Barnett

4:15 **Adrian Hickin** British Columbia Surficial Geology and Aggregate
MEMPR Mapping Program: The Role of Quaternary Geology
in Development of Shale Gas in NEBC

3rd BC UGTF - Networking Event
Inn at Laurel Point - Terrace Ballroom
5:00-7:00 PM

Ministry of
Energy, Mines and
Petroleum Resources

Friday April 17

7:00 *BREAKFAST - Terrace Ballroom*

7:30 *REGISTRATION - Marble Lobby*

8:30 **Marc Bustin**
UBC Reservoir Characterization of Potential Gas Shales in Northeast British Columbia

9:30 **Wendell Beavers**
Hudson's Hope Gas Ltd. Peace River Coalbed Gas Project - NEBC

10:00 *COFFEE BREAK - Terrace Ballroom*

10:30 **Pavlo Cholach & Sean Miller**
BP Canada Energy Company Integrated Subsurface Approach to Initial Stages of CBM Field Appraisal, Crowsnest Coal Field, SEBC

11:00 **Barry Ryan**
Coal & CBM Consultant In-situ Coal Gasification

11:30 **Mike Dawson**
Canadian Society for Unconventional Gas Cross Country Check Up: Current Status of Shale Gas Exploration and Developments in Canada

12:00 *NETWORKING LUNCH - Terrace Ballroom*

1:30 **T. Gorchynski & S. Khalid**
Schlumberger Canada Ltd. Geomechanics & Completions Considerations for North East British Columbia Shale Gas Wells

2:00 **Ron Stefik**
OGC Regulatory Considerations for Unconventional Resource Development

2:45 *COFFEE BREAK - Terrace Ballroom*

3:15 **Ben Kerr**
MEMPR Looking to the Future: Development in The Horn River Basin

3:45 **Ines Piccinino**
MEMPR British Columbia's Net Profit Royalty and Infrastructure Royalty Credit Programs

4:15 **Alf Hartling**
MEMPR Closing Remarks

**3rd BC Unconventional Gas Technical Forum
Victoria, BC - April 16-17, 2009**

**Sponsored by:
Resource Development and Geoscience Branch**

Ministry of
Energy, Mines and
Petroleum Resources
